are made before the Sale with the Owners.

# ANNOUNCEMENT

Due to ill health is is with deep regret that we find that we must disperse our Herd of Shorthorns.

The Herd was started ten years ago when we bought the best Seed stock obtainable.

Our Cow families are of the most popular blood lines and the Herd Bulls used are of the proven blood-lines, paying particular attention to gaining ability and easy fleshing.

These cattle are in good health, just in ordinary pasture condition ready to go out and make you a profit as they always have for us.

It will be a pleasure to see all of our old customers, neighbors and anyone interested in good, profitable Shorthorns on Sale Day. It is our hope that the cattle sold will be a profitable investment for you.

**GUARANTEE** — All animals guaranteed according to the Standard Guarantee endorsed by the American Shorthorn Breeders Association.

**HEALTH** — All animals sold will be tested for Bangs and T. B. and Health Certificates furnished Sale day for shipment into any state.
